“Mediating Premarital Agreements”

Presented By

Amanda D. Singer of *West Coast Family Mediation Center*

Nothing screams romance like a party bringing up their need for a prenuptial agreement. The emotional togetherness of dating and marriage can instantly devolve into feelings of distrust. This program will discuss mediation processes, strategies and examples that will help both educate the couple as well as create a fundamental basis for relationship success. Adding premarital mediation to your service offerings can allow you to expand the clients you work with and provide a rewarding experience for the mediator.

Amanda D. Singer, Esq., MDR, CDFA is a professional family mediator and co-owner of West Coast Family Mediation Center. She is also a licensed attorney and Certified Divorce Financial Analyst.
